

The Practical Esoteric Aims Of Satanism

Preface

The following two interesting Order of Nine Angles (O9A/ONA) typewritten articles by Anton Long are reproduced from volume III of *Hostia*, published in 1992. Both articles were written and first distributed around the same time, the late 1980s, with the main (4 page) article placing O9A support of National Socialism, and holocaust denial, into the correct esoteric, Aeonic, context. Of particular interest, given the 1980s date of the MS, is the mention of supporting Islam.

Included as an appendix is an extract from a typewritten letter by Anton Long to 'Lea' written in September 1990 and included in volume II of *The Satanic Letters of Stephen Brown*. The letter places the Satanism of the O9A into context: a causal form, limited to the current Aeon, used to achieve Aeonic goals.

For those interested in the O9A theory of Aeons, it is outlined in the MS *Aeonic Magick - A Basic Introduction* (included in *The Definitive Guide To The O9A*, seventh edition, pp.678-681).

The Practical Esoteric Aims of Satanism: 90-130yf

The practical aims arise from Satanic strategy which has its foundation in Aeonics [qv. the various Aeonics and Cliology MSS - some of the most important are listed at the end of this MSS]. These aims are essentially **tactics** to achieve the long-term strategic goal. This goal is the creation of a new species - and this means (a) a new Aeon; (b) a new aeonic civilization. For this to be achieved, present structures, forms, ideas and so on, have to be changed.

Aeonics shows that the present Aeonic civilization, the Western, has been distorted in its ethos and its structures. One of the most potent forms of the distortion has been the Nazarene religion. The distortion has been carried on, and effectively controlled, by 'Magian' forces - there has arisen various other forms to implement the distortion and effectively undermine the Destiny of the West - that is, the emergence of Imperium. These forms include communism/Marxism/socialism and the idea of 'liberal-democracy': they are all opposed to a racially aware Europe and the idea of Aryan/White superiority. This Aryan superiority would have formed the basis of Imperium - without it, Imperium is not possible.

In essence, the ethos of the West has been changed from a Faustian/Promethean pagan one, which exulted in conquest and exploration, to a neurotic materialism and a 'multi-racial' pacifist degeneracy. There has been a 'silent revolution' in all Western societies and they all now conform to unhealthy Nazarene induced forms - the power structures of these societies now actively seek to eradicate all heretical pro-Promethean ideas/groups/individuals, and use the full force of the 'Law', as well as covert tactics, against those who hold out against the relentless onslaught to enslave the peoples of the West to what are essentially 'Magian' created ideas. Thus the campaigns, in Schools and throughout society, against "racism". To implement this Magian revolution, a myth was created - 'the Holocaust'. In most societies of the West, this myth is a sacred dogma - disbelief being punishable by imprisonment.

Because of all this, an Imperium is increasingly unlikely. The real - ie. esoteric - aim of the Magian is a 'Messianic Kingdom' ruled over by this 'Magian' elite. This would be de-evolutionary, in the Aeonic sense, and effectively wipe out the gains of all hitherto existing Aeonic civilizations. Essentially, the rule of 'Dogma' would hold sway, with terror to support this. This terror is already evident concerning the Holocaust and Aryan racism. The reasoned enlightenment, so evident in the Hellenic and Western ethos, would be displaced by a real despotism - a mentality akin to that imposed upon the West by the medieval 'Witch-finders' and their dogmatic Nazarene zeal. The Magian is a synonym for the Zionists.

This brief overview of the current state of aeonic affairs enable the practical aims, to be achieved/striven toward, to be understood in context. Esoterically, traditional Satanism/the septenary, and thus its **magick**, is an expression of the Faustian ethos and thus the Western Aeon. The other forms of 'Western' magic(k) existing at this time - including the 'Satanism' of groups like the Temple of Set - are expressions of the Magian ethos (as is evident, for example, in their use of Hebrew forms and the 'Qabalah'). Thus the actual 'magick' of these other groups/individuals is **aiding the distortion**. In practical terms, any magickal act, which does not use traditional Satanist/genuine Western forms (such as the septenary) is an action against the reasoned enlightenment that the Western Aeon represents.

On the practical level, it is considered necessary, in order to achieve strategic goals, to support the creation of a Western Imperium - that is, to support those forces trying to undermine in a practical way the current Nazarene/Magian status quo. This means upholding heretical views such as racial inequality, and denying 'the Holocaust' - as well as aiding/supporting National-Socialist/"racist" causes. The tactical aim here is the creation of a pro-Aryan, National-Socialist type State which has a noble, conquering spirit

or ethos, and thus which re-presents Satanic values in action in the real world. An alternative aim is the emergence of a 'religious' form for this same noble, conquering ethos.

In addition, whatever means are necessary to undermine and thus destroy the present status quo must be used. This means disrupting societies - supporting armed insurrection, spreading heretical ideas, aiding those groups/forms which weaken societies from within (in the moral sense - e.g. drug-dealing) and thus engendering a healthy, noble resurgence. A primary aim is to cause chaos, on the streets, economically, and socially - to thus provide opportunities for a revolutionary pro-Aryan group to take or seize power. A magickal and practical aim is to destroy the power structure of America - for that country effectively is acting to maintain a global control in accord with Magian dictates and thus impose the Magian world-view. The real power of the Magian heart-land resides in America and in the control exercised in the minds of Europeans by the idea of 'multi-racialism' and the myth of the holocaust. If the present power structure of America was destroyed, the practical power-base, both financial and military, of the Magian heart-land (ie. Israel) would collapse - what has prevented the destruction of this heart-land by the Arabs is the military superiority given to it by America. No country has ever been able or is able to supply superior weapons to any Arab state not under American control - not the former Soviet Union, not China. America has secretly threatened any country which seems about to do so - and threatened both economically and militarily. Any country which poses a real threat to Magian lands has been dealt with - e.g. Iraq.

With the fall of this heart-land, the Messianic dream of the Magian would be unrealizable.

The next Aeon will be determined by the success or failure of these tactics. That is, for the next Aeon to emerge, and thus for the next Aeon civilization to arise in around five centuries time, it is necessary to destroy the distortion affecting the present Aeon. Failure to do this will mean the emergence of that civilization will be much delayed - by up to at least a thousand years.

Further, the success of the tactics, and the emergence of an Imperium, means the spread of the present civilization beyond the confines of the Earth - out into Space. This is possible now, and only now, due to the inventiveness of the creative minority within the civilization and the technology to implement that in a practical way. A defeat would mean a hiatus, and thus a starting from the beginnings - effectively, the achievements of this Aeon would be wiped out.

ooo

Traditional Satanism is fundamentally pan-Aeonically: ie. concerned with the patterns and processes which are perceived, in the causal, as Aeons and Aeon civilizations. However, to effect changes in the causal, actions of individuals and groups (and this includes magickal acts) must work with things as those things are - as they are presented in causal time at particular causal times. The reality of aeonic energies is that they assume causal form in aeonic civilizations, and that at any one millenia, only one civilization is aeonically significant. Therefore, aeonic magick is a working with the aeonic energies presented in the particular civilization at the time of that magickal act(s) - or a working against those energies. Anything else is not Aeonic magick - ie. is not effective on the aeonic level: it is purely personal, external, magick.

The present Aeon is the Western - and this Aeon dates from c.500 eh to c.2000eh in terms of the energies being predominant. The aeonic civilization follows some centuries later: for the West, arising c. 900 eh and ending c. 2400eh. The energies of the next Aeon follow or arise some centuries after the last Aeon ones: in practice, this means at the end of the civilization of the last Aeon; when the Imperium is collapsing. Thus, the new Aeonic manifestations will arise c.2400eh.

In the past, Aeons arose as part of the unconscious process of dialectical change. However, we are now at the stage of evolutionary understanding when we can alter the process itself because of that conscious understanding which Aeonics, ciology and so on, gives us. That is, we can significantly alter the process of aeonic evolution and thus the civilization which gives form and reality to aeonic energies. The time for such change is when the energies of one aeon are waning, and the energies of the next aeon have not arisen in any significant way.

Left to themselves the aeonic energies would have produced a Western Imperium which would have lasted from c. 1990eh-c.2450eh. A new aeonic civilization would then have arisen c.3000eh, and lasted for c. a thousand and more years.

The reality of aeonic magick means that one must work either with the energies of the Western energies - and thus aid/create an Imperium - or that one works against those energies. At this moment in causal time, no other energies of aeonic type are prevalent on Earth, and no other cultures/civilizations are significant in evolutionary terms. [This statement of reality will not please many.]

Thus, the only practical options for significant magickal work are the ones given above: aiding Imperium (and thus countering the distortion) or working against the creation of Imperium (and thus aiding the distortion). The former option is continuing the evolutionary trend - ie. presencing the sinister; creating a dynamic imperative and thus aiding exploration/conquest/discovery. The latter option is de-evolutionary - ie. it aids those forces which by their nature are restrictive in both the short and the long term. The former is a moving-on; the latter, a dogmatic standstill and then a recession. Of course, the majority of non-Initiates see things differently - they view the distortion as 'progressive' and those arranged against it (e.g. NS type forces) as regressive/reactionary/primitive and so on. Such people have not only failed to perceive the essence of things veiled by their outer transient forms, but also have abandoned rational thought and judgement for abstract idealism arising from sentiment. The majority of such people who view the situation in this sentimental idealistic way, are simply victims of the distortion itself - products of the unhealthy societies which esteem verbiage and clever pseudo-intellectuals concepts above judgement based on experience and real insight.

Initiation implies a development of real insight and judgement - and a learning of genuine esoteric knowledge. The esoteric knowledge of Satanism, hitherto secret by nature because it was and is heresy, is essentially a knowledge of Aeonics - of those factors governing evolution/change from aeons to individuals. One insight of a Satanic Initiate is into the forms and structures assumed by aeonic energies in the causal.

This insight means that a genuine Initiate understands a transient form such as 'National-Socialism' as a practical expression of some of the principles of Satanism and as, in the long-term, contributing to evolutionary change via its inherent dynamism and acceptance of the forces of Nature. Such an Initiate understands that, at this moment in aeonic history, such a form is **necessary**: ie. this form (or something very similar) and only this form presences the sinister in the way that sinister must be presenced to achieve the strategic goal of Satanism over centuries.

The current practical concerns of traditional Satanism lie thus with the Western civilization - with aiding those forms which can or do presence the sinister, or which will change societies to the benefit of the sinister. The tactics are geared to this. Thus, an encouragement of Islam in certain Arab states may be a tactic used - because Islam acts to discourage the 'American' materialism which would otherwise flourish, and thus offsets 'American' (read covert Zionist) influence. This in itself poses problems for America and thus the Magian.

However, the aeonic or essential reality, is that Islam is a transient form which like all religions enshrines the dogmatic, anti-evolutionary ethos, and while in the very long-term the goal is enlightenment or Adept-like liberation and thus understanding for **everyone**, the practical reality means that a working with this

particular transient form is tactically right, in order to achieve the goals connected with the present Western civilization and thus the establishment of a new Aeon.

The reality is that there are no easy, idealistic options. A genuine insight and understanding of aeonic matters means certain judgements have to be made: certain tactics have to be employed in order to achieve anything. Satanism is concerned with real, meaningful changes in the real world: it is not concerned with mystical or psuedo-mystical world-views and impractical idealisms. In a fundamental sense, Satanism is pragmatic - aeonically.

The present reality is as stated above - no amount of 'wishful thinking' or idealism or sentiment will change this. One either aids aeonic change and thus contributes toward evolutionary change, or one does not.

On the magickal level, as well as aiding the forces of Imperium and countering the distortion, acausal energies can be presenced to begin the process that is the next Aeon. That is, a nexion can be created, consciously, and the acausal energies consciously directed into temporal forms, some of which will be 'magickal'. This is in addition to aiding the present aeonic forms. In effect, these new acausal energies will create the next Aeon and thus its associated aeonic civilization.

This creation is the 'esoteric' Satanic goal of Satanic Adepts - the 'exoteric' goal can be considered to be aiding Imperium and thus fulfilling the wyrd of the West (and hence countering the distortion). In reality - ie. viewed from beyond the opposites inherent in causal forms - the esoteric and exoteric goals are essentially the same: or rather, different expressions of the same things, that is, sinister or acausal energy presencing in the causal and thus creating evolutionary change. However, this 'differentiation' into esoteric and exoteric goals is useful since its enables the tactics to be understood. Viewed another way, the exoteric goal is the short-term esoteric strategy, and the esoteric goal is the long-term esoteric strategy.

Ita lex scripta.

Notes on Study and Practice in Modern Satanism

In traditional Satanism, the novice is expected to not only study the tenets and traditions of Satanism, but also put these into practice in real life. Thus, a recent Satanic Initiate - whether working alone or as a member of an established Order/Temple - would study the following works, and then strive to apply the principles contained in them in the way described.

The works are: ¶The Black Book of Satan;¶Naos;¶Hostia - Vols. I,II, III¶ Hysteron Proteron.

'Naos' would be used as a guide to practical hermetic workings, both external and internal. The 'Black Book' would be used as a guide to forming and running a Satanic Temple to perform ceremonial magick. 'Hostia' and 'Hysteron Proteron' would provide an insight into Satanic traditions and beliefs. In addition, the images of the Sinister Tarot would be employed (e.g. in some of the workings given in 'Naos') and the 'Deofel Quartet' might be read to provide additional understanding, together with The Black Book II and III.

Satanic practice in the real world would arise from (a) forming and running a Satanic Temple; and (b) undertaking Insight Roles and other Satanic tasks. Aside from a specific Insight Role, which the novice would choose, they would undertake the various physical challenges required [qv. the MS 'Adeptship - Its Real Meaning and Significance', for example] and strive to increase their experience by living Satanically in a way which aided the sinister dialectic. What these experiences were, they would decide after having studied the works mentioned and after having undertaken the tasks, ordeals and so on, up to External Adept [qv. 'Naos', and the various MSS Guides to the Seven-Fold Way] - e.g. having run a Temple for some months, and achieved the physical goals.

One of the tasks might be to plan and undertake a culling. Another might be to aid Heretical forms by, for example, becoming involved with an extremist group which seeks the destruction of 'the System' and whose principles and aims are in accord with the Satanic ethos and whose actions aid the sinister dialectic. [Obviously, both of these could be combined.] Another might be to undermine present structures by fostering their decline - e.g. dealing in drugs. Another might be removing in a practical manner on a regular basis, the scum and the worthless - e.g. by vigilante action [this is culling performed on a regular basis rather than a 'one-off' event].

What matters about these tasks is that the novice chooses them to gain practical experience of Satanism in action and thus increase their understanding and so aid their esoteric development. Naturally, to qualify as Satanic actions, they must aid the sinister dialectic - be steps toward realizing the strategic goal of Satanism. Here, an understanding of Aeonics is crucial, as is a genuine insight into traditional Satanism: as explicated, for example, in Hostia I,II,III and as explained to prospective novices in the booklet 'Satanism - A Basic Introduction for Prospective Adherents'.

The choice of practical action is the novice's: they must use their understanding to select Satanic tasks. Occassionally, they might be given advice, from a more experienced Satanist, but the final choices are and must be theirs. What matters is to choose and act. The acts are learning experiences, ordeals, and thus it does not matter if because of, say, a certain lack of understanding, a novice chooses, or seems to choose, wrongly. They will either learn from this, or not. If not, they have basically failed - shown themselves not to be suitable. Whatever, their actions will have presented the sinister in some way or ways.

Following these tasks - which should last for a few years - the novice then moves on to the next stage of their esoteric development, that of the Grade Ritual of Internal Adept. This is a rite of synthesis, and thus the emergence of the Adept.

Appendix Satanism As A Causal Form

On the surface, this may seem to have little to do with 'Satanism'. Your reading of 'The Giving' was perceptive, as your letter indicates. Satanism is a form, like any other - a "container" constructed in the causal world to effect certain changes. These are of an Aeonic kind. On the exoteric level, this form is Opposition, Heresy, Change - and also, on this basic level, a re-presentation of certain truths, of a certain spirit, or ethos, or way of living. With regard to the present Western civilization, it re-presents the original ethos, an ethos since distorted by the Nazarene and beliefs deriving from the Nazarene. This Western civilization is the outward expression of the Western Aeon - and this Aeon began in the time that Arthur and Merlin lived: the first practical, outward, effects on a large scale occurred (as they always do) some centuries later.

On the esoteric level, the form does several things - it maintains evolutionary development: the creativity, the inspiration that drives individuals and thence gives birth and maintains civilizations. On this level, it is beyond 'form', beyond transient (causal) opposites - and thus is 'nameless'. In a sense, it is the essence that is 'Satan'.

Thus the exoteric forms - the name, the rituals, the overt opposition to religion, and so on - are effective within the causal confines of those forms: i.e. the civilization. When the causal aims are achieved, another form or forms is chosen/developes naturally. On the practical level, this means that the Order is Satanic for this civilization - to effect changes upon the civilization. When the new civilization arises [if all goes to plan, around 2400 ev] then another outward form will emerge - in fact, it will already have emerged, to prepare the way for what is to be. Until such time, the outward form remains necessary.

There exists beyond whatever outward form is chosen/developes, the essence - and this is what is intimated in 'The Giving'. This essence is always and of necessity, Dark (viewed conventionally) - that is, creative, evolutionary, inspirational. And it always brings Change, Disruption, Opposition and so on. It is not a part of a dialectic process - it is the process itself.
